

# What Can an AVENTIS SYSTEMS WARRANTY Do for You?

There's no way to ever completely plan for what can go wrong with computer equipment. That's why having a warranty that fits your needs is so important for your business. When it comes to protecting major investments like computer equipment, a warranty can make sure that you're covered in case of equipment failure or damage.

## What Is a Warranty ...

A warranty is a guarantee that if your equipment is defective or breaks down during the coverage period, you won't be on the hook for the cost of repairing or replacing that item.

## ... And Why Do I Need One?

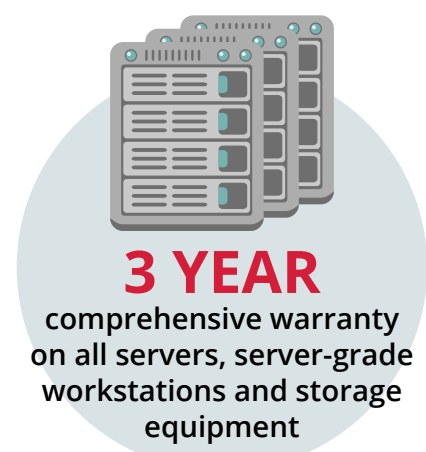

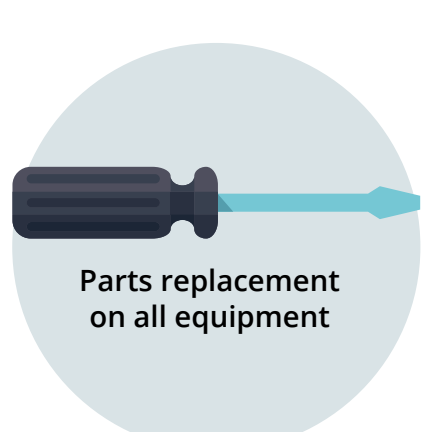

While most equipment comes with a basic warranty at purchase, it's often limited both in terms of what it covers and how long it lasts. A more comprehensive warranty that is tailored to fit your needs ensures that you get exactly the coverage you're looking for — and keeps you from facing unexpected expenses in the event of equipment failure.

## Aventis Systems offers a full range of comprehensive warranties for every type of business environment.

### Aventis Systems' Warranty Program Breakdown:

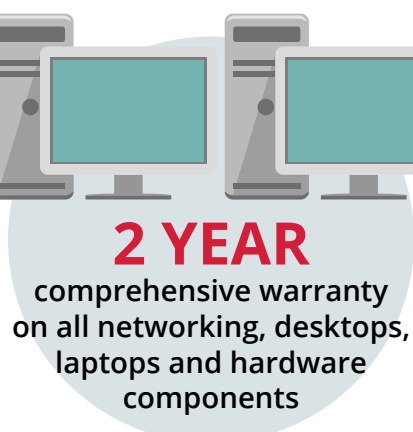

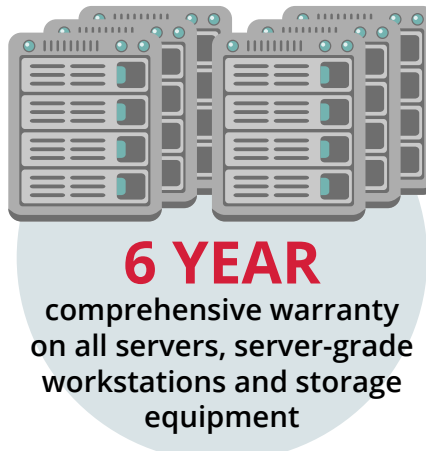

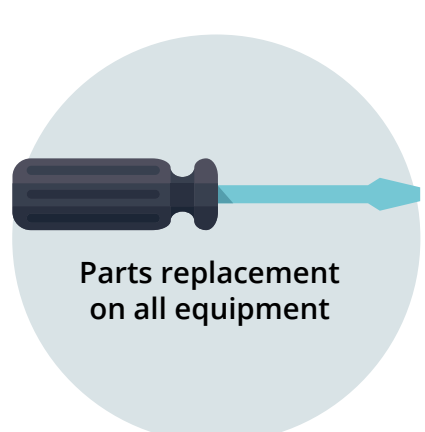

## ESSENTIALS WARRANTY

Our standard warranty agreement is included on all products purchased from Aventis Systems. It includes:

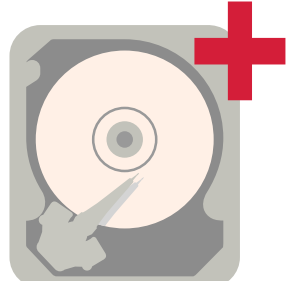

## EXTENDED WARRANTY

The Extended Warranty offers all the same great features as our Essentials Warranty, but doubles the length of the coverage. It is available for all products and includes:

## EXPRESS WARRANTY

Our Express Warranty is an option you can add on to either the Essentials or Extended plan. It provides next-day parts replacement for the duration of the warranty term.

## SECURE DRIVE WARRANTY

This warranty can be added to any of the above warranties. It allows you to retain your hard drives when receiving replacements throughout the duration of the warranty, which increases the security of your data.

## Don't Just Take Our Word for It! Here's What Our Customers Say:

**"The Aventis Systems warranty is what led me to purchase from them vs. other hardware providers."**

*– Heath Hetherington, Operations Manager, Midland Center for the Arts*

**"I chose Aventis Systems for its good inventory and selection and robust warranty and support."**

*– Jason Maximovich, Business Manager, Intelligent Networking*

**"The comprehensive warranty from Aventis Systems ensures peace of mind when purchasing equipment."**

*– David Webb, IT Manager, Mountain Comprehensive Care Center*
